The screenshot displays the Autodesk BIM 360 GLUE app interface. On the left, a vertical menu lists several steps: 'Upload Models' (checked), 'Open Models', 'Find and Manage Clashes', 'Create and Share Markups' (checked), 'Access Models on iPad', and 'Video Gallery'. A grey bar at the bottom of the menu indicates '5 steps remaining'. The main content area shows a tutorial window titled 'Create and Share Markups' with handwritten-style text. The text reads: 'You can create and share design markups in real time. In a model, click Markups. Click + Add to use the Markup tools. To share a selected markup, click notify, select team members and click Send.' Below the text are 'Show Me' and 'Learn More' links. A 'Markups' panel is visible on the right, showing a list of markups: 'Edward Roy Markup 1' and 'Edward Roy Markup 0'. A progress bar at the bottom of the app shows '2 steps remaining' and a 'Next' button.
